# Beth Andrews

*"The lady you want! We can't speak highly enough of Beth Andrew's as our real estate agent. Her professionalism, knowledge, honesty, integrity and hard work ethics are very much appreciated and respected. She is detail oriented, honest, good with people and has a knack for matching the buyer with the owner...making it the perfect fit for your home. As a previous purchaser and buyer with Beth – I will always seek Beth".*

*"Beth assisted us with both the sale of our property along with the purchase of a new property. There were some ups and downs throughout the process (not on the agents part) but I could not fault Beth's dedications, kindness, understanding and empathy throughout. Unfortunately for Beth there were some times (a lot of times) that we needed her guidance and she would always answer our calls with a friendly voice – even at 9pm on a Saturday night. We are very happy with Beth's service and would highly recommend her if you are wanting to sell your property".*

*"A pleasure! We recently sold our property, with Beth as our agent. We found her to be extremely professional and a pleasure to liaise with. The sale was stress free and her knowledge of the local area was outstanding!"*

*"We first met Beth when she researched and sold a home to our son and his family – that fitted their requirements perfectly. Having experienced first hand her calm attitude along with her extensive knowledge and work ethics; Beth was our first choice for selling our own home, many years later. We were not disappointed. At all times she was professional in the formalities of selling a home, whilst caring on the human emotional side that comes with it. She worked hard and consistently and fulfilled our faith in her, our high expectations, and the ultimate result".*

*"We have used Beth's services twice now to sell houses. In both instances, she was competitive in her appraisal, very prompt and professional to work with and achieved above listings price. I would highly recommend Beth if these are attributes you are chasing in a real estate agent".*

*"We would highly recommend Beth Andrews from PRD in Coffs Harbour as your real estate agent to sell your property. She matched us with a potential buyer upon signing the agents agreement and the house was sold within hours of going on the market. We chose Beth after following her previous sales records. She gives realistic expectations on pricing, with the aim of selling the property within the first few weeks which is what we were looking for when choosing a real estate agent".*
