PROJECT MARKETING

Rick Williams

Director & Partner

M 0411 893 465

Agent Bio

With extensive project marketing experience along the East Coast of Queensland Rick's sole focus for his clients is delivery of profitable rates of sale, cost efficient marketing strategies, absolute commitment from first to last sale and a trusted consultancy relationship rarely offered in this competitive market sector.

Experienced in every aspect of the project sales and management Rick tracks all components of your project ensuring success with the unhidden goal of building a solid base for continued opportunities amongst his clients.

"Exciting times are ahead for our business and I genuinely look forward to your call or email in confidence on any matter, project or site."
