Agent Bio

Rhonda Nyquist has lived in the Hunter Valley all of her life, and has been involved in the real estate industry for over 25 years. Together with Luke Anderson their expertise and knowledge for the local area is extensive.

Rhonda is a highly valuable and regarded sales agent and is able to assist in all aspects of project marketing, from conceptualisation, feasibility and development approval, through to delivering the end product through to sales.

She has a dedicated team of experts that is able to assist with any property management requirements or developments.

Rhonda has the right mix to get the job done. She has control, leadership, passion and is driven to succeed for herself and that of her clients.
