**> First Home Buyers' Guide** QLD Programs & Grants 2021

# ABOUT

The 'PRD First Home Buyers' Guide' is designed to help you quickly understand what is on offer to first home buyers around Australia.

With so many programs and grants available at the various State and Federal Government levels, it can be difficult to know where to turn to learn what is relevant to your personal situation. This guide helps you do just that.

A combined understanding of all the applicable programs and grants will help you maximise the benefits you can access as a first home buyer, and get you into the property market sooner.

Dr Diaswati Mardiasmo PRD Chief Economist

# ABOUT PRD RESEARCH

PRD Research Division provides reliable, unbiased, and authoritative property research and consultancy to clients in metro and regional locations across Australia

Our extensive research capability and specialised approach ensures our clients can make the most informed and financially sound decisions about residential and commercial properties.

# OUR KNOWLEDGE

Access to accurate and objective research is the foundation of all good property decisions.

As the first and only truly knowledge based property services company,

PRD shares experience and knowledge to deliver innovative and effective solutions to our clients.

We have a unique approach that integrates people, experience, systems and technology to create meaningful business connections. We focus on understanding new issues impacting the property industry; such as the environment and sustainability, the economy, demographic and psychographic shifts, commercial and residential design; and forecast future implications around such issues based on historical data and fact.

# OUR PEOPLE

Our research team is made up of highly qualified researchers who focus solely on property analysis.

Skilled in deriving macro and micro quantitative information from multiple credible sources, we partner with clients to provide strategic advice and direction regarding property and market performance. We have the added advantage of sourcing valuable and factual qualitative market research in order to ensure our solutions are the most well considered and financially viable.

Our experts are highly sought after consultants for both corporate and government bodies and their advice has helped steer the direction of a number of property developments and secured successful outcomes for our clients.

# OUR SERVICES

Our research services span over every suburb, LGA, and state within Australia; captured in a variety of standard and customized products.

We have the ability and systems to monitor market movements, demographic changes and property trends. We use our knowledge of market sizes, price structure and buyer profiles to identify opportunities for clients and provide market knowledge that is unbiased, thorough and reliable.

PRD does not give any warranty in relation to the accuracy of the information contained in this report. If you intend to rely upon the information contained herein, you must take note that the information, figures and projections have been provided by various sources and have not been verified by us. We have no belief one way or the other in relation to the accuracy of such information, figures and projections.
