NT Programs & Grants 2021

ABOUT

The *PRD First Home Buyers' Guide* is designed to help you quickly understand what is on offer to first home buyers around Australia.

With so many programs and grants available at various State and Federal Government levels, it can be difficult to know where to learn what is relevant to your personal situation. This guide helps you do just that.

A combined understanding of all the applicable programs and grants will help you maximise the benefits you can access as a first home buyer, and get you into the property market sooner.
