To Whom It May Concern

Testimonial | Kaylene Posa

I am very happy to provide this testimonial for Kaylene Posa of PRD Norwest.

We began working with Kaylene in early 2021 on the Infinity Park Norwest Development which is both Commercial and Residential (off the plan sales).

Infinity Commercial:

98 Commercial suites launched off the plan in March 2021 – all sold by December 2021.

Infinity Residential:

290 apartments launched in November 2021 – currently 50% exchanged.

The first phase was the Commercial development which has completely been sold out, followed by the Residential - Marque, Alpha & Omega buildings. The residential was launched in late 2021 are still currently being sold.

Kaylene has been a great asset to our project team, assisting with and coordinating meetings, presentations, any administration/project work and preparing reports on a weekly basis. Kaylene has also given her feedback and ideas on the layout/design of the cabinetry for the plans in the display suite.

Kaylene has been meticulous in keeping the price list up to date on a weekly basis, i.e. deposits taken, contracts exchanged, back on the market, etc. She also distributes enquiries to the agents, following up on their progress and assisting the sales team with their administration work, such as preparing sales advices and updating price lists. She is always very polite and responds in record time.

Her work on the Infinity Park development also requires her to liaise with our external marketing team, providing feedback and sending out EDM's for the project to the PRD Norwest database.

I have found Kaylene to be highly professional, attentive, and knowledgeable, and ensuring that our team and our buyers needs are met.

Yours Sincerely
