Agent Bio

Luke Anderson, a local boy born and bred. Having worked in the real estate industry for over 10 years sets a high standard for himself as an agent and that of his clients.

Luke is a market leader in residential sales and specialises in the development and implementation of sales and marketing campaigns for development projects from conception through to settlement. In an ever changing property market, he offers a clear focus, providing clients with a seamless service delivery.

Luke has valuable relationships with developers, land owners and local authorities and is able to advise his clients on every aspect of real estate development, sales and marketing.
